Her domaine is exceptionally small—just four hectares—but it is tended with the care and precision of a cherished garden. Though her holdings are limited to "village" appellations, the wines consistently defy expectations, showing a finesse, depth, and complexity more commonly associated with premier or grand cru sites.</p> <p>Alexandrine's winemaking philosophy is grounded in minimal intervention and gentle extraction, allowing the natural character of her ancient vines to shine. The resulting wines are remarkable for their purity, elegance, and supple, silky texture—qualities that have earned her international recognition and admiration. Each vintage reveals a transparent expression of site, crafted with sensitivity and a deep respect for tradition.</p> <p>VITICULTURE</p>	300	400	Plus VAT - VAT added to the sale price
